Re: 2010 Credit Unions for Kids/Children's Miracle Network Fundraising

The New Year kicks off the beginning of another fundraising period to benefit Kapiolani Children's Miracle Network. Hawaii credit unions are again urged to participate in fund-raising activities throughout the year.

In 2009, Hawaii credit unions did an outstanding job in raising funds through the Credit Unions for Kids program. Several credit unions took advantage of national partnerships, such as the Miracle Match program from CO-OP Financial Services. A total of 41 credit unions in Hawaii raised over \$75,000!

This year, your League is excited to promote this fundraising effort once again. Enclosed with this letter are the following tools to help you get started:

- ⇒ Pledge form
- ⇒ Order form for FREE supplies from Kapiolani Children's Miracle Network

All of the money raised stays in Hawaii to benefit the programs and services of the Kapiolani Medical Center for Women and Children – which includes Wilcox Hospital on the island of Kauai and specific programs on Maui and the Big Island.

Visit the League Web site at www.hcul.org and click on the link in the "Important Initiatives" section for the resources you need to make your Children's Miracle Network fundraising a success.

Please take the time to review the materials and to complete your pledge form and send it to me at anytime during the fundraising period.

Please call me at 203.6403 or email imoore@hcul.org if you have any questions. Thank you for your continued support of this most worthwhile program!
