Envelopes With Security Tint:

The “tinting” is a security feature and is done on the inside of the envelope.

Ink Colors:

Prices include a choice of three different ink colors. You may choose black, reflex blue or process blue (light blue). Other PMS ink colors are available for a **\$45.00** lot charge by size. Please specify PMS ink number and color. **Important:** For a second color, please add \$50.00 lot charge by size.

Custom Back Flap Printing:

Choose from the standard logos displayed on the next page -- just indicate which one you want on your order form. The additional cost for this service is \$2 per thousand.

Or for the same cost, you may individualize your envelopes with custom back flap printing! Loan specials, new products offerings, message about your annual meeting – anything that fits on the **back flap** of an envelope is acceptable. Simply enclose your camera-ready copy or laser printer copy with your order form.

***Important: “America’s Credit Unions” back flap (Flap Code D) printing must be printed only in black ink to meet CUNA’s graphic standard requirements. You will incur an additional fee of \$50.00 lot charge by size if your ink color selection (for the front of your envelopes) is in another color other than black ink, or if two colors are ordered.**

Standardized Back Flap Selection Available:
