Credit unions face unique challenges and requirements for their physical, member-facing locations. In many cases, the livelihood of an entire community may rely on a branch being open for business despite any disaster, construction, or interruption. Just one hour of downtime can have far-reaching ripple effects.

That's why credit unions must have a backup for brick-and-mortar locations, particularly those with no other area branches. Mobile recovery solutions can be exactly what's needed to stay in business and serve your community.

Think of CNote technology as the “pipes” that unlock competitive and impactful community investments across America. The CNote Promise Account is a cash management solution designed as a single management point for institutions and corporations to make for deposits with positive social impact. These deposits come to your credit union via CNote for you to utilize as you support members in your community.

The banner features the TruStage logo on the left, which includes a stylized bar chart icon. Below the logo, the text "2025 virtual events" is written in a large, dark blue font, and "Risk management" is written in a smaller, dark blue font below it. On the right side of the banner, there is a photograph of a man and a woman sitting at a table, looking at a laptop. The man is holding a teal mug. The background of the banner is white, with yellow bars at the top and bottom.

Stay ahead of the complex array of ever-changing risks, compliance issues, and industry regulations with our 2025 risk management virtual events. Each session is focused on emerging risks and loss trends impacting organizations just like yours. You'll gain actionable insights, proven guidance, and relevant resources that you can use.
