[Webinar: Overdraft Overhaul: Insights into the CFPB's Game-Changing Proposal](#)

February 21, 2024 • 10:00 AM HST

On January 17, the Consumer Financial Protection Bureau (CFPB) published its proposed Rule, Overdraft Lending: Very Large Financial Institutions. While the proposed rule currently exempts financial institutions under \$10B in assets, it may potentially reshape overdraft practices for all community banks and credit unions. The CFPB has indicated that it will monitor the market response for all overdraft programs and is prepared to include community financial institutions.

Join us for an in-depth discussion on the proposed rule and how it may impact your financial institution.

[Over 100% Increase in ATM Crimes, Stop the Trend in 2024](#)

Virtual February 22, 2024 • 6:00 – 6:30 AM HST

Join us for a critical webinar presented by 3SI Security Systems, focusing on the alarming 600% rise in ATM theft and related violence over the past two years. This surge in criminal activity not only threatens your financial assets but also endangers the safety of your employees and customers. Our expert panel will delve into innovative strategies and advanced technologies designed to safeguard ATMs against sophisticated theft attempts. Learn about proactive measures to enhance security, deter criminal activity, and ensure a safer environment for your staff and clientele. Discover how 3SI's cutting-edge solutions can protect your cash and assets, while maintaining the integrity of your financial operations.

[CNote is a technology platform that provides a sustainable flow of non-member deposit](#)

Along with new deposit opportunities, CNote fosters partnerships between corporate investors and credit unions that can open doors to investments, grants, new members, partnerships and media opportunities. In furtherance of their mission to build a more inclusive economy, CNote prioritizes credit union partners and the needs of the communities they serve. They believe the path to increased financial inclusion is through the robust support of community-centered financial institutions like yours.
