

# Hawaii Credit Union League

April 16, 2024

An advertisement for Eltropy Video Banking. On the left, the Eltropy logo (three colored hexagons) is followed by the word 'eltropy' in white. Below this, the text 'Remote &amp; In-Branch Video Banking' is written in white, followed by 'Digitalize and Scale Face-To-Face Interactions'. On the right, there is a video call interface. A woman is on the left, smiling and waving. A man is on the right, wearing a headset and looking at a laptop. A 'Verified' badge is next to the woman's video. Below the video, there is a document icon with a signature and a shield icon. The background is dark blue.

Are face-to-face interactions an important part of your member's & customer's loans, account opening, financial advice, and other journeys? With Eltropy's Video Banking solution, digitalize and scale face-to-face interactions and make it available in your member's & customer's homes and in your micro branches.

## Staying responsive to regulatory changes

**CHERYL LAWSON**  
EVP, Compliance Review

**SEAN YORK**  
Regional Director

In this “Compliance Chat” video, Sean York visits with Cheryl Lawson to discuss how financial institutions can educate themselves properly to stay proactive in dealing with changes in the regulatory landscape for overdraft services.

Origence announces Chris Gerdes as a keynote speaker for Lending Tech Live '24 Conference

Origence, the leading lending technology solutions provider for credit unions, announces Chris Gerdes as a keynote speaker for its Lending Tech Live '24 conference, scheduled June 25-27, 2024, at the Marriott Marquis in San Diego, California.

Gerdes' keynote session, “Cars of the Future – Radically Different or a Lot Like Today?” will unravel the complexities of the automotive industry. He will explore the science behind automotive advances, the latest technologies and how they work, what they will deliver to customers, and what challenges remain.

Spring 2024

Steve Rick  
Chief Economist

# TruStage™ report

2024 U.S. economic outlook and its impact on credit unions

Recent economic and market data tells us 2024 will bring slow but steady economic growth and possible interest rate reductions. The Fed will continue to battle inflation with a balanced approach to interest rates in hopes of staving off a recession and bringing inflation rates to an acceptable standard.

## [How a strategic alliance with Verafin benefits credit unions](#)

Verafin's cloud-based, consolidated financial crime management platform provides credit unions with a complete solution to detect, investigate and report

financial crime. To do so, Verafin uses fraud and money laundering alerts, end-to-end due diligence solutions, robust case management functionality, automated regulatory reporting and cross-institutional information sharing. Their approach includes big data intelligence, visual storytelling and collaborative investigations to help institutions stay a step ahead of regulatory change and financial crime.

The logo for Verafin, with the word "VERAFIN" in a bold, red, sans-serif font. The letter "I" is replaced by a stylized circular icon.
