

Hawaii Credit Union League

June 25, 2024

[TruStage™ \(formerly CUNA Mutual Group\) is a proud pillar of the credit union movement](#)

The relationship with credit unions is distinctly close-knit and unique - and has been for nearly 90 years. Guided by the shared principle of people helping people, TruStage delivers insurance, investments and technology

solutions that serve a diverse range of needs, are flexible, easy to understand, and enable consumers to make confident financial decisions.

[Choose Arkatechture as your data analytics partner to expand your team and get things done](#)

Arkatechure is a technology company and CUSO dedicated to empowering credit unions with a better understanding of their members and organization through data. We are a team of data lovers and technical experts who use our skills to help organizations of all sizes harness, utilize, and optimize their data.

Arkatechure offers a best-in-class business intelligence platform (Arkalytics) and tailored consulting services. Anything data focused – we can help.

Your employees will be able to measure portfolio health, streamline processes, and unlock the power of predictive analytics.

[Protect your credit union from fraud](#)

The hidden costs of fraud include lasting damage to a financial institution's reputation and the decline of member trust. Download this report reflecting the findings from a nationwide survey conducted by Abrigo in March 2024 and gain valuable insights into various aspects of fraud for credit unions.
