JUNIOR EXECUTIVE DEVELOPMENT INITIATIVE

Are you a young professional who wants to impact the credit union industry? Have you wanted to learn how to get involved and make a difference for your members and credit union? Would you like to make personal connections with those who influence the industry?

The Junior Executive Development Initiative (JEDI) is targeted to young professionals (under 40 years of age) committed to making a difference and advancing the credit union industry. The program offers opportunities to participate in JEDI activities designed to engage up-and-coming professionals who want to make an impact – i.e. lunch discussions with selected speakers, scavenger hunt activities to build your network, sharing on social media platforms, commenting or providing testimony for advocacy, attending Chapter meetings, participating in community events, soliciting PAC contributions, and much more.

There is more! If you are selected for the JEDI program, you will be awarded fully-paid registration for two days at the HCUL Convention which includes attendance at educational sessions, access to the exhibit hall, meals

discount to attend the Convention and Conference in the year following the scholarship, if willing to mentor the incoming JEDI scholars by participating in group activities **and** selected as the Chapter representative.
